

United States Senate

January 16, 2023

Dear Friends:

I am honored to join the Southwest Orlando Jaycees, the City of Orlando's Martin Luther King Commission and the YMCA of Central Florida for the Annual Arthur "Pappy" Kennedy Prayer Breakfast. This is a special time to reflect on the legacy of Dr. Martin Luther King, Jr. as one of America's greatest voices of freedom and equality. We must always remember - our nation is strongest when we unite, accept our differences and work together for a better future.

As U.S. Senator, I fight every single day to create a better life for Florida families by investing in what matters most to them - the opportunity to get a good job, receive a quality education and raise their family in a safe community. Dr. King's vision is alive and well in our state and across the nation, but we must continue to work every day to ensure every child has the opportunity to succeed and live the American dream. My goal in the United States Senate is to continue building on Florida's tremendous success. I am incredibly proud of our state's success, and none of it would be possible without hardworking Floridians like you.

Again, thank you for honoring the incredible contributions of Martin Luther King, Jr. in your community and I wish you the best for a wonderful event.

Sincerely,

Rick Scott
United States Senator
