Join Us on the Course and Help Promote Our Cause

The YMCA of Central Florida is a nonprofit that's been serving Central Floridians since 1885, committed to the idea that our communities can be better tomorrow than they are today. Our impact is felt daily across six counties and our obligation to deliver lifesaving programs and services to kids, teens, adults, and seniors is continuously growing. Together with our members, advocates, and volunteers, and partners, we'll continue to embrace innovation and be a force for transforming communities in Central Florida.

Be Why Your Community Thrives

When you give to the Y, your gift will have a meaningful, enduring impact right in your own neighborhood. Together, we can continue to provide opportunity to learn, grow, and thrive to everyone in our community regardless of circumstance.

Your Support will Ensure a Brighter Future for Neighbors in Need

Y scholarships provide financial assistance to individuals and families so they can access membership and programs like swim lessons, youth sports and out of school enrichment.

- Cultivating opportunity and youth development.
- Helping teens become leaders.
- Keeping children safe around water.
- Strengthening mental and physical health for all ages including our active adults.
